

YOU CAN GET INVOLVED!

**SING—LIFT UP YOUR VOICE!**

- COME to a gospel workshop—better yet, bring your choir.
- INVITE family and friends to give gospel music a try—it's contagious!
- JOIN the Wisconsin GOSPELLERS and sing your heart out all over the state—and in Germany!

### **VOLUNTEER**

- HOST a visiting Wisconsin GOSPELLER or international tour guest in your home.
- PROMOTE Wisconsin GOSPELLER gospel WORKSHOPS and concerts in your community and congregation.
- SCHEDULE a gospel CONCERT for your congregation—then help organize it and fill the pews!
- PROVIDE HOSPITALITY for visiting and touring gospel groups—coffee and kuchen, potluck suppers, bag lunches, transportation.

### **GIVE FINANCIAL SUPPORT**

The Wisconsin GOSPELLERS ministry depends on the strong support of congregations and individuals whose generous contributions help defray the cost of gospel workshop faculty, soloists, instrumentalists, music and practice CDs for the GOSPELLERS.

When the German choirs tour in our state, substantial funds are needed to cover hospitality costs such as transport, group admissions to local attractions, welcome gifts, cash for occasional restaurant meals, recording, videography, publicity.

If you would like to support this innovative ministry financially, send a check with "Gospel Ministry" in the memo line to: attn: Tracy Hauge, Wisconsin Conference UCC, PO Box 435, DeForest WI 53532-0435

**THANK YOU** for your interest and support.

## MEET THE GOSPELLERS

- The current Wisconsin GOSPELLERS hail from all four Associations of the Wisconsin Conference—from Brule to Janesville, River Falls to Kenosha.
- Many sing in their church choirs, some come from churches without choirs, a few never sang in a choir before attending a GOSPELLERS-sponsored gospel workshop.
- Almost all have experienced the joy of a concert tour in Germany under our partnership with the Evangelical Church of Berlin-Brandenburg-schlesische Oberlausitz and the Westend Gospel Singers of Eberswalde.
- Martin Ulrich, Associate Professor of German and Music at Lakeland College and Director of Music at First Congregational Church, Sheboygan, directs the GOSPELLERS and coordinates soloists, section leaders, accompanists, and instrumentalists.

## A BIT ABOUT OUR HISTORY

Begun as an international people-to-people exchange, with gospel music (sung in English) as the international language, the Wisconsin Conference gospel ministry partnership with the German church has flourished for nearly a decade. German gospel choirs have come twice to Wisconsin on tour, and are returning in September 2014.

The Wisconsin GOSPELLERS have made two trips to Germany, including three concerts in Poland in 2012. Plans for a 2016 tour are in the works. This unique choir fellowship of singing God's praise in a common tongue and the incredible hospitality of host families and congregations in both countries continue to be priceless treasures for everyone involved.

## OUR VISION FOR THE FUTURE

Beginning in 2013, the GOSPELLERS started a tradition of singing one or two concerts each year at different locations around Wisconsin. In the years ahead, we hope to continue this weekend gospel retreat ministry, visiting churches in all the Associations, joining forces with local choirs and musicians to bring live gospel music to every part of the state.

## YOU CAN GET INVOLVED—COME TRY US OUT!

The best way to get involved with the Wisconsin GOSPELLERS is by joining us at one of our gospel workshops where we learn new songs and freshen up our repertoire under the guidance of gospel greats, including Robert Robinson, “the Pavarotti of gospel”

Newcomers are always welcome to sit in at rehearsals and learn concert music. Soloists and instrumentalists can contact music director Martin Ulrich to explore opportunities.
